Statement of Solidarity with the
Anti-imperialist Meeting in Favor of Democracy and Against Neoliberalism
Havana, Cuba
November 1-3, 2019

The All-African People's Revolutionary Party ^(GC) is struggling to become a mass-based revolutionary Pan-Africanist political party with the capacity of organizing Africans worldwide for the realization of Pan-Africanism—the total liberation and unification of Africa under scientific socialism. We hold as historical truth that “all peoples of African descent whether they live in North or South America, the Caribbean or in any other part of the world are Africans and belong to the African nation.”¹ The A-APRP ^(GC) stands in principled opposition to women's oppression, capitalism, imperialism, zionism, neo-colonialism and neo-liberalism and for scientific socialism, which for our party is the systemic base for genuine revolutionary democracy.

The A-APRP ^(GC) extends revolutionary solidarity and support to the parties, movements, organizations and political activists, in the Western Hemisphere, fighting for revolutionary democracy and against those neo-colonial and neo-liberal forces who seek to maintain, neo-colonialism, which we understand to be the exploitation of the Peoples' natural resources for the benefit of an elite and corrupt indigenous few, including the exploitation of the Peoples' labor and the products of their labor and the services the People provides to society. We are clear that the foundation of the oppression and exploitation of the masses of the People in the Western Hemisphere is rooted in the national, tribal, and cultural oppression of its Indigenous Peoples and Nations. It is our understanding that no genuine justice can be attained without the Indigenous Peoples and Nations reclaiming their rightful place on their land and in history as liberated Peoples and Nations.

The All-African People's Revolutionary Party ^(GC) recognizes the absolute necessity for the forces of progress and Revolution to forge an unbreakable unity and working relationship in our common fight against the oppression of women, capitalism, imperialism, zionism, neo-

colonialism and neo-liberalism. Our presence at this meeting is a testament of our resolve to be among those who have committed themselves to serving and fighting for the masses of the People. All over the world the People are confronting imperialism and domestic reaction as they wage an uncompromising struggle against women's oppression, national oppression, class exploitation and social injustice.

It is the desire of the A-APRP ^(GC) by the close of this conference, that we have contacted you and have your information, so we are able to be a vehicle for you to spread your message and program to the African and international world through our website. Mass political education is one aspect of our revolutionary work and this work entails the world's masses knowing and supporting the forces of progress and Revolution of all nationalities worldwide. This is one expression of genuine solidarity that we offer all the genuine forces of progress and Revolution. Victory is on the side of the just and we are clear that the forces of progress and Revolution will emancipate women and defeat capitalism, imperialism, zionism, neo-colonialism and neo-liberalism. The A-APRP ^(GC) seeks to only make its humble contribution to the liberation and unification of Africa under scientific socialism and the liberation and unity of world humanity. With our inheriting and continuing the theory and practice of our revolutionary Pan-Africanist ancestors, Kwame Nkrumah, Sekou Toure, and Kwame Ture we stand in solidarity with you and the Peoples and struggles that you represent.

There is Victory for Us,
